Location:

Hokkaido Prefecture. Hokkaido is the northernmost island of Japan and the largest prefecture in the country with a population of 5.2 million. The area extends approximately 500km / 310 miles from west to east, and 400km / 250 miles from north to south. Home to the Ainu indigenous people (pronounced as Aynu), it has a relatively short history of land development compared to other areas of Japan, which has left a large area of mountains and forests intact for us to enjoy nature and outdoors.

Rishiri-Rebun-Sarobetsu National Park sits at the very top of Hokkaido and is the northernmost of all the 34 national parks in Japan. The southern tip of Sakhalin Island (Russia) is only 40kms/25miles away from our northern tip, this is as Far North in Japan as you can get! The gateway city to the Rishiri-Rebun-Sarobetsu National Park is Wakkanai, which has both an airport (WKJ) and a railway station.

Day-by-day Itinerary

Day 1

Meet your group in Wakkanai & Transfer to Rebun Island

This tour kicks off in Wakkanai, the northernmost city in Hokkaido and Japan. Your group will meet at around 1:30pm in Central Wakkanai. You can fly directly from Tokyo Haneda to Wakkanai Airport with ANA, or alternatively take a JR (Japan Railway) train, which leaves Sapporo JR Station at 7.30am and arrives at Wakkanai JR Station at 12.40pm. In case you are flying, please choose the first flight of the day which usually arrives at Wakkanai Airport before 1pm. Your pickup can be arranged from either Wakkanai Airport or Wakkanai JR Station.

Once everyone is together, we will hold a short meeting to introduce ourselves and brief everyone on our upcoming adventure before we catch a ferry to Rebun Island. In just under 2 hours we will arrive at Rebun, nicknamed "floating flower garden". Japanese flower lovers flock to this island each June to admire the rare alpine flowers that can be sighted in lower altitudes. In September we will be able to enjoy our island adventure in peace, the remnants of summer can still be felt in the warm water and long twilight. We will drive north to explore the scenic Cape Sukoton and its rocky shore, before checking into our lodgings in time for sunset. We will enjoy our first evening meal at our accommodation tonight.

Activity - Short walks.

Accommodation - Rebun Island | Ryokan | Private room with shared facilities | Onsen Spa

Included meal - Dinner

Activity: Walking

Day 2

Guided Hiking on the Momoiwa Trail & Ferry to Rishiri Island

After breakfast at our accommodation, we set off on the Momoiwa Trail for our first hike. This trail is one of the most popular and accessible on Rebun Island, as the trailhead is located within walking distance from the ferry terminal. The trail reaches out to the southern tip of the island, providing unique scenery with stunning views of the ocean, rugged coastline, and the twin islands of Rishiri-Fuji rising out of the sea only 20km/12miles away. We will be escorted by the Rebun resident hiking guide so there will be plenty of opportunities to learn about the flora, fauna and life on Rebun Island. Once we complete the walk, we will be transferred by van to the ferry terminal to catch an early afternoon departure for Rishiri Island. The forty minute ferry ride takes us to a completely different landscape as Rishiri is literally an island volcano with a peak marked at 1,721m /

5,646ft. After checking into our home for the three nights, there is an option to go out for a stroll to Cape Peshi, a little peninsula with a height of 90m/295ft, safeguarding the port. We will have dinner at our accommodation, prepared by our host using fresh seafood caught around the island.

Day 3

Guiding Sea Kayaking & Hiking on Rishiri Island

The owner of our accommodation is a local outdoor guide who was born and raised on Rishiri Island and knows every corner of his territory! He will be our guide for our half-day sea kayaking & fishing experience, using his fleet of three double kayaks which have been customised for fishing. Today we will split into two groups, one group to sea kayak in the morning and hike in the afternoon, and another group to do the same activities in reverse order. The ocean life around Rishiri is rich in diversity as well as in volume, we won't need to go far offshore to catch fish so we'll stay close to the shore and explore the rocky coast. On land we will walk in the native conifer forest at the foot of Mt Rishiri-Fuji to the famous Himenuma, a little mirror lake which reflects the figure of Rishiri-Fuji on its surface. Tonight we dine out at a local izakaya bar restaurant to experience the island nightlife.

Day 4

Guided Cycling around Rishiri Island

While Rebun Island is a paradise for hikers, Rishiri is a heaven for cyclists! The island is just under 60km/37miles in circumference and the coastal road goes all the way around the island. What's even more special are the purpose built cycling paths which go on for approximately 25km/15miles including several viaducts providing spectacular views of the valleys and ocean. The paths were originally built as an emergency escape route for residents in case of tsunami, which explains their height and ample width, coincidentally and thankfully for us, making perfect cycling infrastructure. The sight of Mt Rishiri, also known as Rishiri-Fuji due to its resemblance to Mt Fuji, doubles the enjoyment of cycling on this island. Back at our accommodation, we celebrate the completion of our Northern Island hopping adventure over a farewell dinner.

Food & Accommodation

Breakfast & Dinner

All breakfasts and dinners (except one night) on this tour will be served at our accommodation. It is a typical way for Japanese travellers to indulge by staying in the lodgings with “onsen” natural hot springs on site. The meals will be set menus, containing traditional Japanese dishes beautifully presented in separate plates & bowls. If you are a master of chopsticks, these skills will be handy, otherwise western utensils are usually available on request.

Because we are visiting the islands where fishing is the main industry, and also the seafood is the essence of local people's diet, we will be served seafood, both cooked and raw, most likely everyday on this tour. (We hope you like seafood!) We can make arrangements for any dietary requirements so please be sure to let us know your needs in advance.

Lunch

On this tour we will have picnic lunches unless the weather prevents us. When we are in the outdoors, the most common lunch to be had in Japan is "onigiri" rice balls or a "bento" packed lunch. We will organise this with our accommodation providers, or alternatively we can cater to western options if we know your requirements ahead of time. Most international visitors enjoy getting into the spirit and within a couple of days are mastering their Japanese hiking lunches like the locals!

Travel to the Meeting Point

We will meet in Central Wakkanai between 1:00 pm and 1:30 pm on the first day. The closest airport to Wakkanai City is Wakkanai Airport (WKJ). The airport shuttle bus for downtown Wakkanai is scheduled to connect with all the incoming flights from Tokyo and Sapporo, and usually departs within 10 mins after arrival. The cost is 700 yen per person. It is recommended that you arrive in Wakkanai the day before the tour starts, in this case, we are more than happy to assist you with booking your pre-tour accommodation.

If you are flying into Wakkanai Airport (WKJ) from Tokyo Haneda (HND) on the first day, your only option will be a flight with ANA, which departs HND at around 10:30 am and arrives at WKJ at 12:30 pm. We will meet you at the airport shortly after your arrival.

An alternative to flying is to travel by train (Japan Railway, abbr. JR), which travels 3 times a day between Sapporo and Wakkanai. The best connecting train to join this tour is the one which departs Sapporo at 7:30 am and arrives at Wakkanai at 12:40 pm. The cost is 11,090 yen for a reserved seat. Upon booking, please let us know your travel plans to Wakkanai, and we will confirm in detail where and what time we will meet on the first day.

About us

Hokkaido Treasure Island Travel

We are Hokkaido Treasure Island Travel (HTIT), an award-winning team of creators of unique, perfectly tailored Hokkaido travel experiences. HTIT Team is deeply rooted in Hokkaido, North Japan. In 2004, HTIT started its journey as a pioneer of a new style of adventure travel by sharing the treasures of Hokkaido. We are constantly opening new doors and making local destinations previously inaccessible for travelers available all over Hokkaido. We provide a compelling combination of personal and professional travel advice, knowledge beyond that of the guidebook insider, and behind the scenes access to places and authentic local experiences generally not available for the public. Our mission is to create for you a journey of a lifetime, every time you travel with us.

Adventure Hokkaido

Adventure Hokkaido is an adventure tour operator specialising in small group hiking, cycling and nature tours to Hokkaido's National Parks, nature reserves and other special places we enjoy spending time in. Our team members are all proud locals and live in Hokkaido year round. We are 100% Japanese owned and operated, when you explore Hokkaido with us you're travelling to the places we grew up in and where our love of the outdoors was born. Our tours are put together by our team of local hiking, cycling and nature guides with over 10 years experience. We look forward to meeting you, sharing our home and making your next trip to Hokkaido unforgettable!

What We Offer As Our Services

Small Group

We find value in maintaining friendly, small-group settings. That's why we cap the maximum number of our groups at 10 people on scheduled tours. This allows us to reduce the social and environmental impacts caused by our travels, as well as giving us the opportunity to visit smaller facilities, which often give us more interesting insights and unique experiences.

Local Guides

Our guides are passionate travellers and adventurers themselves, who spend their free time exploring Hokkaido's great outdoors all year around. Feel free to make use of their knowledge and experience by asking questions! They are also certified as advanced first-aiders and trained to respond to emergency situations on tours.

Guides

Koichi Toba (Tobaji)

*Qualified mountaineering guide stage II
by Japan Mountain Guides Association*

Tobaji is one of the most experienced guides in Hokkaido with over 20 years in outdoor education & mountain tourism. Born in Chiba, near Tokyo, he spent his childhood and youth exploring the countryside. As a university student he was a member of the Explorer's Club, giving him opportunities to explore the outdoors and travel overseas, including a trip to Nepal, where he trekked Annapurna and rafted down the Karnali river. He was once your typical Japanese "salaryman", but decided to change careers and work for an outdoor education provider and later became a certified mountain guide. When he's not guiding, he can be found canoeing or helping rice farmers and beekeepers in Higashikawa during spring and autumn.

Richard Smith (Richard)

Growing up on the Isles of Scilly in the Atlantic ocean, Richard had freedom to explore the outdoors from a young age. Initially following a career on the ocean teaching sailing for eight years, he traded the sea for the mountains, ending up in Hokkaido after two years in the Canadian Rockies. Originally planning on spending one winter here, he got hooked by endless opportunities for learning and exploring. The next five years were spent chasing winter between Japan and New Zealand ski patrolling and ski guiding, whilst also picking up Japanese along the way and fitting backpacking and bike touring trips in between winter seasons. Richard is now back in Japan (with his Hokkaido born wife) year round, working and playing in the Daisetsuzan National Park. He is looking forward to helping visitors connect with Hokkaido and the people who call it home.

Information and Requirements

Dietary Restrictions

We believe that eating like the locals is the best way of experiencing Hokkaido's unique culture. However, we understand that it's not possible for everyone to do this and we're more than happy to cater for food allergies, dietary restrictions and special requirements. If you have any diet restrictions or preferences, please tell us in the Registration Form at the time of booking, and we will do our best to accommodate your dietary needs.

In some rural areas particularly, we may ask you for some flexibility. For example, if you require halal food, we may be able to substitute for a vegetarian option instead. Please also be aware that for those who are allergic to MSG we may struggle to arrange a good alternative at every meal in Japan. Some of our overseas guests in the past found it difficult to find ready-made foods completely free of MSG, especially when buying from convenience stores. Most Japanese supermarkets sell simple foods like plain bread, boiled eggs, vegetables and fruits, so you should always be able to find something suitable. The most important thing about dietary requirements is to let us know in advance so we can prepare and organize the foods you need.

Emergency Response Plan

Your safety is our top priority, closely followed by fun and comfort! All our tour guides have years of guiding experience in the outdoors under their belt. At Adventure Hokkaido, we require all our guides to be certified as Advanced First-Aid Responders or Wilderness First-Aiders. At all times, our guides will carry a first-aid kit, as well as have an extra kit in our vehicle. Depending on the terrain and the potential risks it poses on each trip, our guides will also have the necessary safety and climbing equipment.

In case of heavy rain, strong winds or other unsafe weather conditions for hiking or cycling, there may be times when we have to change our tour plan. In such cases, we will try to substitute the original activity with other alternatives such as sightseeing, visiting museums or hot springs. We take charge of turning a bad day around into a fun day!

Weather Conditions

Hokkaido's pleasant summer attracts many visitors from other regions of Japan escaping from the unbearable summer heat and humidity. September is a transition month from summer to autumn, the days start getting shorter, and the colour of foliage starts changing in the higher altitudes. Generally, in the third week of September, the first snow of the season falls on the highest peaks of Hokkaido.

The average temperature in Wakkanai City in September is approximately 16°C / 61°F, and the average rainfall is 123mm (5 inches). It is definitely chilly in the morning and evening so long sleeves, long trousers and extra layers will be suitable outfits for this time of the year. As we will be doing different kinds of outdoor activities on land and water, please make sure to bring the equipment and items detailed in the "what to bring" list for your comfort and safety.

What is an *onsen*?

Most *ryokan* have an *onsen* spa, that is, natural hot springs. As a volcanically active landscape, Japan has well over 25,000 natural hot springs scattered throughout the country. Since ancient times, the people of Japan have loved onsen and will travel far and wide to visit famous onsen establishments.

Please keep in mind that there are certain protocols that go with bathing in an onsen, however they're super simple!

- You bathe in your birthday suit, that's right, no clothes or swimwear is allowed in the bath. Don't worry, no one is looking!
- Take a shower before you enter the water. It's important for the onsen waters to stay clean so make sure to rinse all soap off and long hair should be tied up. You can take a small towel in if you're feeling shy, but the towel cannot touch the waters.
- Be respectful of others. Do not run, talk too loudly, drink alcohol, or splash around while in the onsen.

Don't forget to take in a hand towel, so that you can lightly dry yourself before returning to the changing room. We're quite fussy about keeping the floors of the changing room dry. Last but not least, relax and enjoy yourself!

What is a *ryokan*?

On our tours, we use *ryokan* as much as possible to support the local tourism businesses. A *ryokan* (旅館) is a traditional Japanese inn and it is the epitome of Japanese hospitality and cuisine. They are often located in natural surroundings and feature Japanese style rooms with tatami mats with rice paper partitions and futon (sleeping mattresses). Each *ryokan* prides itself on its cuisine and features seasonal local ingredients. Many *ryokan* also have on-site natural hot springs for their guests to enjoy during their stay.

Here are some good-to-know facts about *ryokan* to avoid unwelcome surprises.

- You are sleeping on the floor. A traditional Japanese room does not have western beds, instead *futon* bedding is provided. Often *ryokan* staff enter your room and prepare your *futon* while you are out for dinner.
- *Ryokan* provide "*yukata*", which is a traditional night robe that looks like a *kimono*. You can wear it to the hot spring spa and also to dinner, basically anywhere within the *ryokan* facility. Because in the evening we mostly dine in house, you don't have to bring a lot of evening clothes as long as you think you will be comfortable hanging around in your *yukata*. Our guides will explain how to wear *yukata* properly if you are unsure.
